The Arbonne Product Advantage

Pure

We're working diligently to understand the latest science — consulting our Scientific Advisory Board and creating cleaner and even more effective products. Each product contains carefully selected, botanically based ingredients.

Safe

We rigorously test our products. We're vigilant about the latest research regarding chemicals to ensure we're being mindful and cautious.

Beneficial

Our products deliver results. As trailblazers, we must educate, empower and inspire people to make better choices for the beauty, health and wellness of their families and friends.

Our NØT ALLOWED List™:

animal products or by-products | artificial flavors | artificial sweeteners | benzene | bisphenol-a | carbon black | formaldehyde-donating preservatives | hydroquinone | mineral oil | parabens | petrolatum | phthalates | sodium laureth sulfates (SLES) | sodium lauryl sulfate (SLS) | synthetic dyes | talc | triclosan | triethanolamine (TEA)

And so much more ...

Independent Consultant Compensation Summary and Income Disclaimer

The Arbonne Independent Consultants featured have achieved the rank of Consultant, District Manager, Area Manager, Regional Vice President, or National Vice President. The average number of active Arbonne Independent Consultants who achieved each rank and the average compensation is described further in the Independent Consultant Compensation Summary (ICCS). The ICCS for each country Arbonne is authorized to conduct business is available on Arbonne's website at iccs.arbonne.com.

These testimonials are for illustrative purposes only and do not represent income projections. The results by the featured Arbonne Independent Consultants are not typical and should not be relied upon by prospective or current Arbonne Independent Consultants as an indication of what they should expect to earn. Actual results for each Arbonne Independent Consultant will vary depending upon individual effort, time, skills and resources. Arbonne makes no guarantees regarding income. Arbonne is a product driven company that strongly encourages the use of its products before becoming an Arbonne Independent Consultant.

Arbonne UK Ltd. ("Arbonne") of Unit 16 Basset Court, Loake Close, Grange Park, Northampton, NN4 5EZ, England, is the promoter of this direct selling opportunity in the United Kingdom. The goods which are sold under this opportunity are skincare and colour cosmetics produced or supplied by Arbonne and such other goods or services as Arbonne may market from time to time. It is illegal for a promoter or a participant in a trading scheme to persuade anyone to make a payment by promising benefits from getting others to join a scheme. Do not be misled by claims that high earnings are easily achieved.

Earning Overrides, Bonuses and Preferred Client Commissions

During 2016, Arbonne paid in excess of \$244 million in Preferred Client commissions, overrides and bonuses (together "Earnings") to Arbonne Independent Consultants globally. These Earnings do not include any retail commission income.* Globally, Arbonne had an average of 268,100 Arbonne Independent Consultants during 2016.** Any Arbonne Independent Consultant who received Earnings in a month is an "Active Arbonne Independent Consultant" for purposes of this compensation summary. On a monthly basis, Arbonne had an average of 42,600 Active Arbonne Independent Consultants in 2016, or 16% of Arbonne Independent Consultants worldwide. Because not all Arbonne Independent Consultants qualify to receive Earnings each month, the figures in this compensation summary represent the average Earnings paid in 2016 to the individuals who did.

*Arbonne Independent Consultants can earn up to 35% retail profit on Client purchases. Arbonne does not provide an estimate of average or actual Arbonne Independent Consultant income from retail sales in this compensation summary because published retail price is only a suggested price, Arbonne Independent Consultants are free to set their own retail prices for Clients, and many Arbonne Independent Consultants also purchase products to personally use.

**Figures regarding Arbonne Independent Consultants do not include Client or Preferred Client accounts, which are not eligible to participate in the Arbonne SuccessPlan.
